LiTTLE RED RiDiNG HOOD PAPER DOLL

This Little Red Riding Hood paper doll was made by Margaret G. Hays. It was originally published in 1916.

Although Red Riding Hood is a very old fairy tale, Ms. Hays created clothes for her paper doll that were modern for 1916.

The doll was later scanned and shared online by Linda at The 2008 Paper Doll Convention Archive blog.

Kazoomzoom.com cleaned up this darling Red Riding Hood and presents her for kids of all ages for free.
